A scene may inspire, history may teach...
but, it is people that drive us forward. People whose smiles remind us of home
and whose dreams light up our path. People who have changed the world
and those changing it one day at a time.

Pogled može inspirirati, povijest može poučavati...
no nas pokreću ljudi. Ljudi čiji nas osmijeh podsjeti na dom
i čiji nam snovi osvjetljavaju put. Ljudi koji su promijenili svijet
i oni koji to čine dan po dan.

Anyone who takes himself too seriously
always runs the risk of looking ridiculous; anyone who can
consistently **laugh** at himself does not.

A dark, monochromatic silhouette illustration of a landscape. In the foreground, there are tall, thin trees with clusters of leaves or flowers. Two birds are shown in flight, one on the left and one on the right. In the background, a large, multi-tiered structure, possibly a castle or a large building, is visible. The entire scene is set against a dark, textured background.

When people say, 'She's got everything,'

I've got one answer - I haven't had **tomorrow**.

The background of the entire image is a dark, muted purple. On the left side, there are several large, dark silhouettes of palm fronds, with long, slender leaves extending towards the right. The text is centered in the middle of the image.

Happiness. Simple as a glass of chocolate

or tortuous as the heart. Bitter. Sweet. Alive.

The philosophical idea that there are no more distances, that we are all

just one world, that we are all brothers, is such a drag! I like **differences.**

The image features a quote by Margaret Thatcher centered on a light beige background. The quote is framed by dark silhouettes of palm trees at the top and sides. The word "you" is written in a large, bold, serif font, while the rest of the text is in a smaller, regular serif font.

If **you** want anything said, ask a man. If you want something done, ask a woman.

The work goes on, the cause endures,

the hope still lives and the **dreams**

shall never die.
